#### TRIBUTE TO CAMILLE PEASE

Mr. KING. Mr. President, as most of us here in the Senate know, this Chamber functions with a dedicated and able staff to support us. Because we are a relatively small body that has to oversee the actions of the far larger executive branch, we rely on specialists detailed from other Agencies throughout the government. It is really a two-way deal. When they come here, they learn about the intricacies of the legislative process and get to participate in it. In return, we benefit from their years of experience in the Agency they come from.

In my case as chairman of the Strategic Forces Subcommittee of the Senate Armed Services Committee, we rely on the Government Accountability Office or GAO staff who specialize in nuclear and space systems to help us on the programmatic details of a multitude of programs in the Department of Energy and Defense, and every year, the committee sponsors one of them to spend a year with us.

For the past year, we were fortunate enough to have Ms. Camille Pease with us from the GAO as our detailee, and now, her year is up, and she is heading back.

Because of the way the Armed Services Committee works in preparing for a markup, members such as myself and Senator FISCHER, our ranking member on the subcommittee, spend a tremendous amount of time with staff, including Cami, on hearings and briefings in order to build a legislative record and develop legislation for our annual markup of the National Defense Authorization Act, or NDAA. In every aspect, Cami was there to enrich us with her expertise on the National Nuclear Security Administration. In return, I hope she is wiser on how we work in this Chamber, and in the Armed Services Committee in particular, on a bipartisan legislative process that has managed to produce a NDAA for the past 61 years.

So we thank you, Cami, for spending time with us, and we wish you the best on your return to the GAO. We hope your time with us will help you in the years to come. I hope you take back to the GAO that, when it comes to the national security of this nation, and the NDAA in particular, this Chamber does work in a bipartisan and productive fashion, and it is my hope it will continue to do so in the years to come.

#### ADDITIONAL STATEMENTS

##### RECOGNIZING THE NORTH GREENVILLE UNIVERSITY CRUSADERS

• Mr. GRAHAM. Mr. President, I rise today to commend the North Green-

ville University Crusaders baseball team for winning the 2022 NCAA Baseball Division II National Championship.

The Crusaders outscored their four World Series opponents by a combined 34-12. Their victory earned the program its first national championship and marked the second Conference Carolinas baseball team to win the title.

Throughout the season, Landon Powell, head coach of the Crusaders, was consistently a role model to the players. When he was hired in 2014, the Crusaders were 8-35 and had three and one-half scholarship players. Coach Powell turned the team around and guided them to a 29-25 winning record in his first year; since then, the Crusaders have consistently averaged more than 41 wins per season.

On the field, Jax Cash went three for four at the plate and drove in the final run of the game. Reece Fields pitched 5.0 innings, allowing one run on six hits, three walks, eight strikeouts, and was named the tournament MVP. Nate Roof pitched 3.0 innings, allowing no runs, two hits, and a walk. The entire team should be proud of their hard work and accomplishments. The North Greenville baseball team displayed outstanding dedication and teamwork throughout the season and brought pride to the State of South Carolina. The university, under the leadership of Dr. Gene C. Fant, Jr., and Coach Powell, has much to be proud of, and I look forward to another great season by the Crusaders.

I ask that our colleagues join me in congratulating the North Greenville University Crusaders baseball team for winning the 2022 NCAA Baseball Division II National Championship. •

#### TRIBUTE TO RON NUTZ

• Mr. MARSHALL. Mr. President, I rise today to recognize and thank Mr. Ron Nutz of Haddam, KS.

Last September, I traveled to Washington County and met many outstanding Kansans, amongst them was Mr. Ron Nutz. Ron is responsible for spearheading the construction of the Mark Nutsch Horse Soldier Monument and the 9/11 Memorial in Washington County, KS. Mark Nutsch served as a Ranger in the Army and as a special forces officer, deploying on multiple combat tours. Shortly following the 9/11 attacks on our country, he led his team into northern Afghanistan and fought against the Taliban and al-Qaeda, much of the time on horseback.

I would like to thank Ron for the work he has done towards the completion of this project. The monument will depict a soldier on horseback and will also incorporate the stone, lapis lazuli, which is found throughout Afghanistan. The groundbreaking ceremony will be held on June 27.

I now ask my colleagues to join me in recognizing Mr. Ron Nutz for all of his hard work, as well as in wishing him nothing but success in the future. •

#### TRIBUTE TO DALE W. MOORE

• Mr. MORAN. Mr. President, I would like to recognize Dale W. Moore for dedicating more than 40 years of his professional life to being a champion for agriculture in the public and private sector.

For the past 10 years, Dale has served farmers and ranchers as a leader at the American Farm Bureau Federation, first as executive director, public policy, then vice president, public affairs, and finally spending the past 4 years of his career serving as the executive vice president.

Dale served as chief of staff at the U.S. Department of Agriculture under four Secretaries of Agriculture, served as legislative director for the House Agriculture Committee, and as a legislative assistant for then-Representative Pat Roberts, who represented the "Big First" district of Kansas.

Dale's Kansas roots run deep. He is a native of Copeland, KS, with a population of approximately 250 people. Dale grew up on a livestock, hay, and grain farm, where he learned firsthand the intricacies of agriculture, the value of hard work, and fostered an appreciation of rural America that he carried with him throughout his entire career.

Dale received a bachelor of science in animal science and biology from Fort Hays State University, located in Hays, KS, where he participated in activities such as Rodeo Club, Block and Bridle Club, and Delta Tau Alpha.

In all of his roles throughout his illustrious career, Dale earned a reputation that continues with him today as a mentor, problem solver, counselor, and storyteller whose commitment sets a shining example for policymakers across the political spectrum. Dale has not only been an advocate for farmers and ranchers, but has contributed to the strength of American farm and ranch families, serving as a trusted friend and advisor to many.

On behalf of this body, the U.S. Senate, it my honor to recognize and thank Dale W. Moore for his dedication to agriculture and service to the American Farm Bureau Federation, U.S. Department of Agriculture, and Congress and to congratulate him on his retirement. •

#### CENTENNIAL OF DAVIESS COUNTY FARM BUREAU

• Mr. PAUL. Mr. President, today I want to honor the 100th anniversary of the founding of the Daviess County Farm Bureau. Established in 1922 by a handful of people, the Daviess County Farm Bureau quickly grew to include approximately 100 farmers. With membership dues of only \$2, the organization was forced to meet wherever it could: the courthouse, the rural electric office, and even members' homes. It was in these early meetings that the Daviess County Farm Bureau first dedicated itself to advocacy on behalf
